

The Prophetic Judgment Of My People Australia

"Speak to My people Australia, My son. I have great things for them if they would only obey. Yet wicked people resist Me at every turn. My son, what shall I do? Call My people to repent. I have called them to the Mission Fields. Maybe they will obey. Hear them calling for Me, for saviors. When will they repent? They love the world. I must punish them. War will consume their land. They will not obey. They love the world more than Me, wicked people of sin and depravity. When will they obey? I had great things for My people Australia if only they would repent. But they won't. They refuse. Into Hell My people shall go wicked Australia. Into Hell they shall go eternally. They will not repent, nor serve Me, wicked people of sin and depravity. Obey. Your LORD has spoken. Amen and amen wicked people of sin."
